많은 분들이 요청해 주셔서 올립니다! 아이엘츠 브로발 2022년 3월 아이엘츠 라이팅 테스트 2 예측입니다. 스피킹처럼 '여기서 다 나와요!' 할 수 있으면 좋겠습니다만, 그냥 '이런 문제들도 나올수 있겠다' 수준으로만 봐주세요.

주요 예측

1. In some countries, criminal trials in law courts are shown on television so that the general public can watch them. Do the advantages outweigh the disadvantages?
2. Some people think climate change has a negative impact on business, while others think that it provides more business opportunities. Discuss both views and give your own opinion.
3. With the growing population in cities, more and more people live in a home with small or no outdoor areas. Is it a positive or negative development?
4. In countries that have already achieved affluence, any additional wealth would not make people happier. Do you agree or disagree?
5. Some people think that children nowadays have too much freedom. To what extent do you agree or disagree?

덜 주요 예측

1. Rich countries often give financial aid to poor countries, but it does not solve poverty. So rich countries should give other types of help to poor countries rather than financial aid. To what extent do you agree or disagree?
2. In some countries, young people are encouraged to work or travel for a year between finishing high school and starting university studies. Discuss the advantages and disadvantages for young people who decide to do this.
3. Human activities have negative effects on plant and animal species. Some people think it is too late to do anything about this problem. Others believe effective measures can be taken to improve this situation. Discuss both views and give your opinion.
4. Many scientists believe that now we can study the behavior of a three-year-old child to see whether they will grow up to be criminals. To what extent do you think crime is determined by human nature? Is it possible to stop children from growing up to be criminals?
5. The demand for food is increasing worldwide. What are the causes? What measures could the international community take in order to improve the situation?
6. The key to solving the environmental problem is simple: the present generation is willing to accept a less comfortable life for the sake of the future generation. To what extent do you agree or disagree?
7. Some people think it is more beneficial to play sports that are played in teams, e.g. football. And some people think individual sports, e.g. tennis and swimming, are better. Discuss both views and give your own opinion.

8. Many people think there is a general increase in anti-social behavior and a lack of respect for others. What do you think are the causes of this and how to improve it? What solutions can you suggest?
9. Today, advanced science and technology have made great changes to people's lives, but artists are still valued highly, such as musicians, painters and writers. What can the arts tell us about life that science and technology cannot?
10. An American film actor John Wayne said: "Tomorrow is the most important thing in life." How is it important for individuals and countries to think about the future rather than focus on the present? What's your opinion?
11. Anyone can use a mobile phone to answer the work call and home call at any place, or 7 days a week. Do you think there are more negative or positive effects on both individuals and society?
